STAND UP! FOR DEMOCRACY IN DC (FREE DC)

Since its inception in 1997, Stand Up! for Democracy in DC (Free DC) was the only grassroots organization in the District of Columbia focused primarily on the pursuit of statehood. Recognizing that only through being admitted to the Union as a state, will DC residents be able to rise above our third-class citizenship and our ongoing oppression by the United States Congress. Stand Up! / Free DC is celebrating two decades of agitating, educating, organizing and mobilizing for DC statehood. Democracy begins at home, and Stand Up! will continue its fight to Free DC and demand Statehood Now!
